The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by McHenry Lee.

Present law authorizes the Sabine River Authority to enter into contracts which provide for the sale, utilization, distribution, or consumption of water outside the boundaries of the state and requires the written consent of the governor for such contracts.

Proposed law retains present law but also requires the written concurrence by two-thirds vote of the local governing authority of each parish in the territory of the authority and the concurrence of at least two-thirds of all the local governing authorities in the territory of the Sabine River Authority.

Effective August 1, 2012.
